Dear Applicant,

Thank you for your interest in becoming a trainee or counseling intern at Valley Community Healthcare. We are proud of our training program and our quality services to the community. The theoretical and clinical focus is psychoanalytic psychotherapy with individuals, couples, and families. Our training program places particular value on personal exploration in supervision.

Please complete the enclosed application and mail it, with your current vitae, to:

Eliane Hary, Ph.D.
Director of Counseling
Valley Community Healthcare
6801 Coldwater Canyon Ave.
North Hollywood, CA 91605.

Our evaluation process involves four sequential steps:

1. Review of application and vitae.
2. In-person interview.
3. Orientation and candidacy evaluation.
4. Final evaluation.

Attached is a brief summary of our requirements.

We look forward to meeting with you.

Sincerely,

Eliane Hary, Ph.D.

Please answer the questions below. This will help us plan ahead in terms of the openings the clinic has for each position and the kind of registration that students admitted into the program will need.

1. During my internship/traineeship/practicum, I plan to do the following (please check the one that applies):
 - I plan to accrue hours for the Board of Psychology (to become a psychologist).
 - I plan to accrue hours for the Board of Behavioral Sciences (to become an LMFT).
 - I plan to accrue hours for the Board of Behavioral Sciences (to become an LCSW).
 - I am a research psychoanalyst at an analytic institute and do not plan to accrue hours with any of the above Boards.
 - I am looking only for PRACTICUM hours to fulfill my school requirements.
 - I have not yet made up my mind.

2. If you plan to become a psychologist, please check A, B or C below.
 - A. I am looking for PRACTICUM hours only to fulfill my school requirements.
 - B. I will be a pre-doctoral intern accruing hours for the BOP as part of the requirements for my doctoral program.
 - C. I will be eligible to apply as a "Registered Psychologist" with the Board of Psychology when I join Valley Community Healthcare. A Registered Psychologist must have completed a doctorate degree in psychology AND must have accrued a minimum of 1,500 hours of supervised professional experience toward licensure with the Board of Psychology.

3. If you checked "C" for question 2 above, please answer the following:

The anticipated date of completion of my doctorate degree is _____.

I have accrued approximately _____ hours of supervised professional experience toward licensure with the Board of Psychology (Please provide a rough estimate).

Traineeship/Internship Requirements
